Citizenship Studies enables learners to deepen their knowledge of democracy and government, the law, rights and responsibilities and how we live together in society. Students will acquire the knowledge, understanding and skills to take the actions of responsible citizens, play a positive role in public and democratic life as informed and active citizens.

Key Stage 4

At Phoenix Academy, GCSE Citizenship Studies is an optional course. We follow the OCR specification. Students opting to take a GCSE in citizenship have the invaluable opportunity to explore fascinating and relevant topics such as democracy, constitutions, law, rights, international relations and media.
